Child-Parent-Relationship

10-Week Training Course

Learn the Keys To Helping Your Child

Succeed in School and in Life

Is Child-Parent-Relationship Training

Right for You and Your Child?

As a Parent do you feel like you have lost control?

Do you find yourself scolding your child more often than laughing with your child?

Do you feel you have lost touch with your child... don't feel as close as you'd like?

Do you feel frustrated and find yourself saying the same things over and over again with no results?

Would you like your relationship with your child to go back to the "way it used to be"?

If you answered "Yes" to any of these questions, please read on...

Child-Parent-Relationship Training (also called Filial Therapy) is a research-based, 10-week parenting course that teaches parents how to use some of the same skills that play therapists use to help children experiencing social, emotional or behavioural problems.

Research shows that motivated parents can be as effective as a professional in helping their child.

How Can Child-Parent-Relationship Training Help?

In 10 weeks you will learn how to:

- Regain control as a parent
- Help your child develop self-control
- Effectively discipline & limit inappropriate behaviour
- Understand your child's emotional needs
- Communicate more effectively with your child

In 10 weeks you will see a noticeable difference in:

- Your relationship with your child
- Your child's behaviour
- Your ability to respond effectively
- Your confidence in your parenting skills
